“Enable to Engage” for Economic Empowerment

04 October 2021

VISION

“To create a robust and self propelling multiple channel platform that will Economically Empower JITO members specifically and indirectly Jain community at large by leveraging our collective strengths to become a much stronger global business power.”

GOALS

- *Engage 10,000 JITO members through various Nahar JBN initiatives*
- *Engage maximum youth and ladies on Nahar JBN platform*
- *Create International linkages for a mutually beneficial channel*
- *Create a technological platform for Community Commerce*

OBJECTIVES

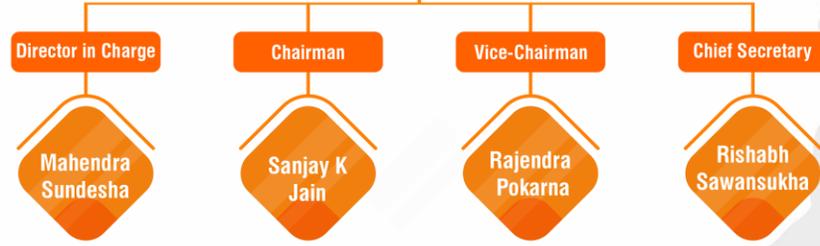

Primary Objective is to fulfil one of the key objective of JITO “*Economic Empowerment*” of JITO members directly & indirectly of Jain community (potential JITO members). This will be enabled by creating a global business networking platform using multiple channels for business development in a trustworthy environment.

Secondary objectives are:

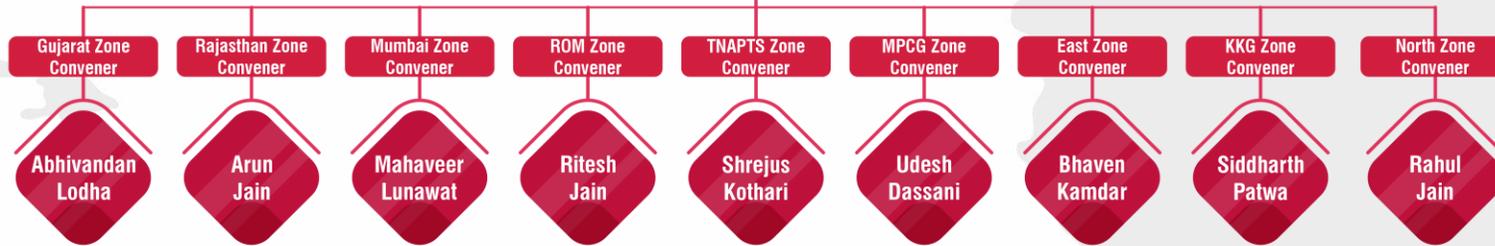

- To act as a catalyst to increase JITO membership by providing a clear and objective deliverable to all current and prospective members.
- To increase networking amongst the Jain community and bring closer
- To ensure all JITO members are continuously connected – to be the biggest connector to members.
